From

Sri. M. Sanjiva [illegible], B.A., B.L.,
Commissioner, Mangalore Municipality
Mangalore.

To

The Secretary to Government,
Public Health Department,
Fort St. George,
Madras.

Through: The Director of Public Health, Madras.

Sir,

Sub: Microscope purchase of - waiving of the invitation of Tenders - requested.

The Municipal Council Mangalore sanctioned a sum of Rs.1,500/- for the purchase of a microscope for Anti-Malaria and Anti-Mosquito measures in Mangalore municipality in their resolution No.44 dated 26-3-49.

Tenders were invited for the supply of this Wirkel Biological Microscope.

The undermentioned three companies quoted the rates for different microscopes as given below:

Name of Company	Name of Microscope	Amount Tendered
1. Central Scientific Supply Co., Madras	German make	Rs.1,450/-
2. Scientific Instrument Co., Madras	Spencer make	Rs.1,053/-
3. Lawrance & Mayo, Bombay	Pathological	Rs.1,681/-

The Council accepted the lowest tender of the Scientific Instrument Co., By some clerical error the order was placed with the Central Scientific Supplies Co., Ltd., and their microscope was returned to them at the cost of the person responsible for the error.

When the order was placed with the company approved by the council viz the Scientific Instrument Co. Madras at a later date, the said company informed that the make for which they quoted the rates was out of stock and that they would supply a Lietz microscope at a cost of Rs.1,202/- as this was the cheapest out of the three makes offered in the tenders, the others having quoted Rs.1,450/- and Rs.1,681/- respectively - fresh tenders were not called for. The council also sanctioned the purchase of this microscope at a cost of Rs.1,202/- from the Scientific Instrument Co., in their resolution No.855 dated 28-4-51 and the microscope was ordered for and received.

It is therefore requested that the calling for fresh tenders in this case may kindly be waived.

ENCLOSURE.

G.O. Ms. No. 4776, Home, dated 13th December 1951.

[Explosives Act and Rules—Licences and 'no objection' certificates—Production of licence from local body to be insisted upon—Instructions issued.]

Order—Ms. No. 4776, *Home, dated* 13*th December* 1951.

Licences under the Explosives Act and Rules are issued in certain cases by the Commissioner of Police in the City and the Collector in the mufassal and in certain other cases by the Inspector or the Chief Inspector of Explosives. The Inspector or the Chief Inspector of Explosives grants the licence after obtaining a ' no objection ' certificate from the Collector or the Commissioner of police as the case may be. The ' no objection ' certificate is issued in certain districts without first requiring the production of the necessary municipal or other licence from the concerned local body or even consulting that body in the first instance. In certain other districts, the Collector insists upon the production of the municipal or other licence before issuing the certificates. The Government consider that in this matter a uniform procedure should be adopted and that the following instructions should be carried out.

2. When a request is made for the grant of a licence or a ' no objection ' certificate under the Explosives Act or Rules, the party should be directed to produce the licence required under the Madras City Municipal Act, the Madras District Municipalities Act, the Madras District Boards Act, or the Madras Village Panchayat Act, as the case may be. The production of the licence under the Municipal or other Act will not entitle the party to the licence or the certificate under the Explosives Act. The Collector or the Commissioner of Police will satisfy himself that there are no valid objections, and if there are any, he shall decline to grant such licence or certificate.

3. The attention of all the District authorities is in this connection invited to G.Os. Ms. No. 2775, P.H., dated 26th October 1945, and No. 3691, Health, dated 31st October 1950.

ENCLOSURES.

I,

G.O. No. 2775, P.H., dated 26th October 1945.

[Licence—Storing of combustible or inflammable materials in the Madras City or mufassal municipalities —Instructions issued.]

Order—No. 2775, P.H., dated 26th October 1945.

Executive authorities of municipalities and Commissioner, Corporation of Madras, are informed that before fresh licences under section 249 of the Madras District Municipalities Act, 1920 or section 287 of the Madras City Municipal Act, 1919, as the case may be, are issued for the use of any place or premises for a purpose in which any risk by fire is involved, the Senior Officer of the Madras Fire Service or where no local section of the Madras Fire Service exists, a Police Officer of the rank of Inspector or above, should invariably be consulted and any special conditions suggested by them should be duly considered before licences are issued. Such consultation should be made in exceptional cases of renewal of licences.

2. The Director of Fire Services is requested to communicate to the Inspector-General of Police a set of instructions for the guidance of the Police Officers in connexion with the duties which they will perform in pursuance of this order.

C. O. COOREY.
Deputy Secretary to Government.
